

As a result of the research and writing of *The Healing Beyond the Miracle* there are a number of presentations that can be offered around the subjects of biblical interpretation and the healing ministry.

These can be adapted as a short taster session ideal for a fellowship meeting or a 60 – 90 minute study. They can also be developed into one-day training events or the subject matter for a longer conference.

The *Hidden* voices in scripture – written by men for men!?

How can we hear the voices of others coming through the pages of the Bible?
