Dear Ecumenical Partners and Friends of Korean Church,

Warm greetings from the Presbyterian Church of Korea (PCK)!

This year August 15<sup>th</sup> marks the 71<sup>st</sup> anniversary of Liberation of the Korean Peninsula from Japanese Imperialism following the end of the World War II. But the Korean Peninsula had been divided into the two Koreas by the superpowers particularly the U.S.A and the former USSR. The Division brought the outbreak of the Korean War which recorded 5.5 million casualties and fixed the division structure on the basis of the cold war system. It has been a 71 year-long unfulfilled liberation for the Korean people who have been longing for healing, reconciliation, and peaceful reunification.

In this regards, the PCK published the *70 prayer topics on Healing, Reconciliation, and Peaceful Reunification of the Korean Nation* both in Korean and English last year. Once again, we have updated it and come to publish *100 prayer topics on Healing, Reconciliation, and Peaceful Reunification of the Korean Nation* in Korean and English. We have also developed an application for smart devices so that whoever wants to join the prayer can easily download and pray for the Healing, Reconciliation, and Peace.

By sharing these prayer topics with our committed ecumenical partners, we humbly and sincerely invite you to participate in remembering the 71<sup>st</sup> anniversary of the unfulfilled liberation of the Korean peninsula due to the division, and specifically to join in our special prayer movement for the Healing, Reconciliation, and Peaceful Reunification of the Korean nation.

I heartily wish that you will use the 100 prayer topics by downloading from following address (<http://wh.pck.or.kr/pm/linkdown.htm?lid=57adaaf57cba30129d01>) and mobile application (<http://www.pck.or.kr/shalom2016eng.html>), at your own convenience, in your church. Thank you very much for your ecumenical friendship and solidarity.

May the peace of our Lord be with you all!

Sincerely yours in Christ,

Rev. Dr. Hong Jung Lee
