### iChurch

From Communication Committee's Report on Page 63.

5.4 The committee fully supports iChurch, the out-of-the-box United Reformed Church website solution developed by the Windermere Centre. iChurch is built on the Wordpress blogging software and provides an easy-to-use, cost-effective, supported and flexible web solution. We commend its use to local churches, affiliated church groups and the synods. For more information please see the report from the Windermere Centre on pages 75-77 and/or contact Rebecca Gudgeon at the Windermere Centre at [rebecca.wincen@gmail.com](mailto:rebecca.wincen@gmail.com).

6.10 iChurch is the out-of-the-box URC church website solution built on Wordpress blogging software. It ships with a template populated with dummy content, instructions and annual hosting. Designed to be maintained by people with no specialist knowledge of Wordpress or coding, different packages are available, from instructions-only, through training to full maintenance by the centre. We are looking at securing funding to appoint a full time administrator.

## The European Union Referendum

### From Mission Committee's Report

#### Resolution 50

On the 23 June a referendum took place within the United Kingdom regarding the question of European Union membership. The majority of those who participated within this referendum voted for the UK to leave this union. In the light of the UK's 2016 European Union membership vote, General Assembly:

- Recalls that the Gospel mandates us to respect all people, love our neighbour and offer hospitality to strangers. In light of the decision to leave the EU, and the hurt and anxiety that many people across our nations feel, it believes that the Church's responsibility now is to be a voice of love, hope, inclusion and compassion;
- Affirms the value of being a diverse and multicultural society and calls on local churches to continue to build bridges of understanding and trust with all parts of their communities;
- Celebrates the URC's Reformed European heritage and identity, and commits to ongoing ecumenical relationships with partner churches across Europe;
- Celebrates the contributions that nationals of other European countries make to the UK and commits to stand in solidarity with them at a time of uncertainty;
- Calls on local churches and members of the URC to challenge incidences of racism and hate crime and report them through the appropriate channels;
- Expresses concern and sadness about the deep inequalities within British society and calls upon URC members to lobby their elected representatives calling for a fairer society;
- Calls on all those in the URC to pray for wisdom and honesty for those involved in negotiating the terms of the UK's exit from the EU and for those who currently feel marginalised by the decision;
- Recognises that the URC is a Church in three nations and so calls upon the Synod of Scotland to engage in and contribute to the public processes and ecumenical responses specific to Scotland which may emerge;
- Encourages members of the URC to continue to engage with the ongoing political and social debate on this topic and to challenge misinformation.

The resolution was agreed by consensus.
