SEMINAR OPTIONS

MISSION AND THE CHURCH: A State Of Mind As Well As Action

Martin Hayward

Creating a Mission Minded Church can be challenging but very rewarding. This session will be looking at some of the core principles in moving a church to mission and growth as well as what can get in the way.

GOD'S APPRENTICES: Developing Authentic Disciples

Andy Twilley

What does an authentic disciple look like, & what does being an authentic disciple involve? How can we ensure our churches are places where we are intentional about growing such disciples who are growing deeper with God and deeper with each other?

M.A.D. for children and young people

Tom Hackett

Is your church meeting the needs of children and young people?

How can you become more child and youth friendly?

Come & discuss strategies to fully involve children & young people in church and explore ways to nurture their faith journeys. There will be time to share ideas with others and to hear how the synod can support your mission with children and young people.

GUARDIANS OF THE CHURCH; Finance and Property

Catherine Kingdom & Colin McCracken

How can Elders (and others) work together to look after the finances and buildings of the local church in order to share our faith and secure our future?
