SEMINAR OPTIONS

EMPOWERING OUR GENERATION

Andy Twilley

We can transform this generation by creating intentional, dynamic relationships in which we enable one another to maximise our God-given potential through sharing experience, encouragement and challenge. This seminar explores how we can truly “*make a difference*”.

EQUAL PARTNERS: Empowering Children Young People

Tom Hackett

Come and learn more about the URC’s “Charter for Children” and discuss how it can be used in our local churches.

Join us for a conversation exploring children and young people as equal disciples – able to play their part in the mission of God.

GOOD PRACTICE HONOURS GOD

Colin McCracken & Catherine Kingdom

How to be good stewards of the resources He has entrusted us with. How to make your finances and buildings essential tools of your church’s mission. Using good decision making to link your financial and property resources to your mission priorities for now and for the future.

MISSION AND THE CHURCH: “Transformed by the Gospel.....”

Martin Hayward

Scientific knowledge is growing in leaps & bounds for the greater good (& bad) – society is changing fast – adults entering working life changing career at least once, the advice is “*you need to reinvent yourself*”, and social media able to even reinvent our personalities. The Church will change but what will that look like – and changed by what – the pressures of society or will it be “*Transformed by the Gospel*”? Come & see what this might mean for the church and its mission including the pit falls to avoid.
