Armchair Mission

A ZOOM meeting on 24th November 2020

Is it possible to 'do mission' with the present limitations the pandemic has created? A time to explore and discuss ways of reaching out during restrictions.

We will be looking at the acronym 'ACORN' developed by Michael Harvey (founder of the National Weekend of Invitation) as well as sharing stories of growth and health in these challenging times.

Group for
Evangelism
And
Renewal
*within the United
Reformed Church*

The Group for Evangelism and Renewal (GEAR) is planning a short series of prayers for the URC ahead of November's Mission Council, beginning on 29 October at 8.15pm for four Thursdays on the dedicated Facebook page. A guest will introduce some prayer needs in the URC family, and a panel will lead prayers for 15 minutes while others can chip in via the comment facility. Meanwhile, short inspirational prayer videos are being uploaded each Thursday. For more information, please contact GEAR's Prayer Secretary, Richard Turnbull, [here](#).

CALLED TO PREACH?

The Lay Preachers training course has now run for 3 years with over 50 delegates enjoying an exciting and inspiring journey.

The next course will start January 2021.

GROW YOUR MINISTRY

November 7th

10.30 – 12.30

4 topics for you to choose from

Equal Partners: Empowering Children & Young People TOM HACKETT

Come and learn more about the URC's "Charter for Children" and discuss how it can be used in our local churches. Join us for a conversation exploring children and young people as equal disciples – able to play their part in the mission of God.

Eco-Church: good for your church, good for the world, good for you. ALEX MABBS

Eco-Church is a free tool that helps Churches and Church members respond creatively to the environmental crisis. It covers every aspect of life, not just buildings, and Churches have found that it opens new doors into life-affirming mission and discipleship. Alex will outline how Eco-Church works and how it can be a blessing to all. He will also introduce some simple ideas that can get Churches started in making a difference on an over-heating planet.

Empowering Our Generation

ANDY TWILLEY

We can transform this generation by creating intentional, dynamic relationships in which we enable one another to maximise our God-given potential through sharing experience, encouragement and challenge. This seminar will explore how we can help one another get "fit in our faith" & truly fulfil our potential.

"Strengthening the Churches life & Mission"

MARTIN HAYWARD

The future will always have a church, the question is 'what will it look like?' As we go through the pandemic and prepare to walk out the other side what will it mean for your church and your witness? During our time together we will look at how different churches have coped, what we have learnt, what we need to take into the future, what we need to leave behind and how we can make changes that last.

Church in focus HASSOCKS URC

The church is ideally situated in the middle of the village on the high street; worship took place Sunday and Thursday mornings; a number of community organisations used the premises; there was a thriving toddler group; and various ecumenical activities took place including Messy Church and Godly Play. Then lock down hit!

Since then we have strived to keep in touch with one another; to remind the community that though the building was shut God was still alive and active, and hosted the local Food Bank set up by the Anglican Parish. In September we opened again for worship and at the time of writing are looking to see what activities might return and how we can still be creative in our engagement with the community. All this as the church contemplates a vacancy from next summer.

Our prayer is that we will stay focused on the role God has called us to in this community.
