Church in REFLECTIONS FROM CSUA AREA LEADER

The fact that the CSUA is an ecumenical Area is greatly to our benefit – we get the best of both worlds! One of those benefits has just shown itself, when we were planning to seek a part-time lay worker/community worker for United, Crowborough, and Cornerstone, Uckfield, not to replace the Minister, who has just left for the West Country, but to help develop the churches' community outreach. We then realised that the role of a Methodist Deacon is virtually identical to the lay worker's profile that we had worked up. We now hope to put in an application for a Deacon in the next few days and if successful, as we hope we will be, he/she will start next September.

In the meantime, we have rented out the manse in Crowborough until 31st July 2022 to an Afghan family through the offices of Wealden District Council, who were extremely grateful for the offer.
