This sheet is for us to give to the people who are going to Synod Together to make decisions for the United Reformed Church Southern Synod. We want them to remember that children are part of the church too.

Please fill it in, writing or drawing is fine and you don't have to worry about spelling. An adult can help but you decide what to put on the sheet. This is about you.

You do not need to put your surname.

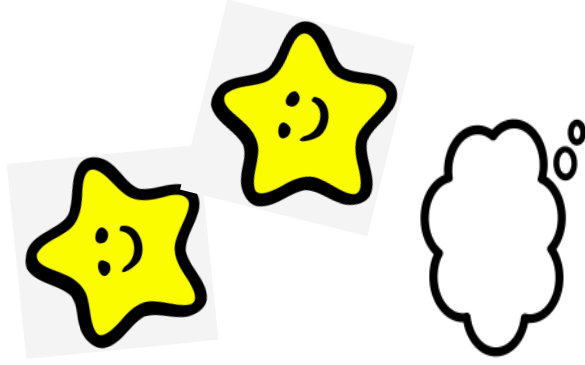

Please get someone to scan or clearly photograph your sheet and send it to **cydo@urcsouthern.org.uk** by Wednesday 5 October.
